Tender Conditions for the Supply of PET Bottles (300 ml) for Cashew Apple Soda Drinks

SEALED competitive tenders are invited for the supply of 1,50,000Nos. (approx.) PET Bottles (300 ml) with screw cap (PET) for filling carbonated chilled Cashew Apple Soda Drinks (ready to use) for the year 2020-21.

- 1) The conceptual design of the pet bottle shape can be redesigned by the bidder and Bidder can submit 3 different re-designed drawing sketch of the Bottle along with the tender to meet the application. A sample design sketch of PET Bottles is also attached along with the tender conditions for the Bidder general information.
- 2) The quantity mentioned in the schedule is only approximate and the supplier will have to effect the supply of the entire quantity mentioned in the Purchase Order.
- 3) The filled bottle with tightened screw cap shall be 100% air tight to avoid any leakage of carbonated chilled cashew apple juice
- 4) The filled bottle with screw cap shall withstand 100 psi CO₂ pressure without changing the original bottle shape and also keep dimensional stability.
- 5) The mould cost shall be quoted separately by the bidder.
- 6) The bidder shall quote the cost per bottle and screw cap separately.
- 7) The weight of the bottle shall be 19 grams and 25 grams, quote the rate separately.
- 8) The dimension of the bottle shall meet the requirement to hold 300 ml Carbonate Cashew Apple juice.
- 9) Trade name shall be engraved on the top to the Bottle Cap.
- 10) EMD equivalent to 1% of the total amount in the form of Demand Draft drawn in favour of The Plantation Corporation of Kerala Limited, payable at Kottayam should be submitted along with the tender. The Security Deposit (rounded to the nearest next rupees) should be submitted in the form of demand draft drawn in favour of The Plantation Corporation of Kerala Limited, payable at Kottayam, as directed in the purchase order.

- 11)** The rate to be quoted by the tenderer should be for the supply at our Unit as shown in the Schedule. The rate should include all taxes, duties, cesses, loading and unloading charges and transporting charges for the supply of the items. The rate should be firm till the supplies are over. No price variation clause will be entertained. The conditions printed or otherwise added to the tender will not be binding on the Corporation.
- 12)** Time is the essence of the contract. The period for supply of the materials should be strictly adhered to. No extension of period will be allowed in the ordinary courses. For delayed supply if any; Corporation has the right to realize penalty at the rate of ½% of the cost of the material to be supplied for every seven days upto a period of one month maximum. Thereafter contract fails to supply the item, corporation is at liberty to cancel the agreement and also make re-arrangement for the supply of the item at the risk and cost of the contractor. Corporation has authority to forfeit the entire amount remitted due by the contractor.
- 13)** Conditions other than mentioned in the tender conditions published by the corporation are not binding/acceptable. No additions/deletion in tender conditions/rate will be accepted.
- 14)** Supply of the material should be made strictly as per the sample approved by the Corporation. If the supply do not conform to the above specification /approved sample such part of the material received will be rejected. The resultant losses and expenses thus sustained to the Corporation will be realized from the tenderer. The decision of the Managing Director in this regard will be final.
- 15)** If the Bidder withdraws from his offer before the expiry period of supply, the Corporation has right to cancel the agreement and to forfeit the Security Deposit and also to arrange purchase of the item as a whole or part as per rules and the losses and expenses incurred, if any, on this account will be realized from the tenderer.
- 16)** The acceptance of the tender rests with the Managing Director who does not bind himself to accept the lowest rate or any other rate.

- 17)** As this is a sealed competitive tender, normally negotiation will be held with the lowest quoted party. But if the company felt that the rate quoted by the lowest party is not reasonable or if the company desires to have a contract with more than one supplier the company has the right to negotiate with any of the other parties participated in the tender and whose samples are approved.
- 18)** Communication of acceptance of the tender will be informed to the tenderer. On receipt of the same tenderer shall return a copy of the same duly signed and sealed by return of post and this will be deemed as a concluded contract. Nevertheless the successful tenderer shall also execute an agreement, with the Corporation. A security deposit equivalent to 5% of the contract amount (including EMD) should be made before executing the agreement.
- 19)** The Supplier shall not assign, transfer, and make over, underlet or sublet or otherwise part with the benefits of the Contract to any person or firm.
- 20)** The Supplier should supply the entire material [full quantity] within the time limit stipulated in the Purchase Order.
- 21)** In case the Supplier fails to make the supply of the entire quantity of the material or after having supplied part of the quantity, fails to fulfill the contract in full, all or any of the material not supplied Corporation has the right to cancel the agreement and to forfeit the security deposit and may, at the discretion of the Managing Director be purchased by means of another tender, quotation or by negotiation or from the next highest tenderers, and the resultant losses and expenses, if any, sustained to the Corporation together with such amount as may be fixed by the Managing Director towards the cost of damages be realized from the defaulting Supplier. Even in the case where no alternate purchases are arranged for the materials not supplied, the Security Deposit of the Supplier shall be forfeited
- 22)** All payments to the Supplier will be made by cheque only but if the party requested to effect the payment through RTGS such payment will be effected after deducting the charges from the party. No advance payment or part payment will be made unless it is specified in the purchase order. The Supplier will

have to send the original invoice to the concerned estate with copy to the Head Office. The following certificate is to be furnished in the invoices.

“Certified that the goods on which Goods & Service Tax has been charged have not been exempted under the Goods & Service Tax Act or the Rules made there under and the charges on account of Tax on these goods are correct under the provisions of the relevant Act or the Rules made there under. Certified further that we (address) are registered as dealers in the State of under Registration No. for the purpose.”

- 23)** The EMD of the unsuccessful tenderers will be refunded within 30 days of the finalization of the tender. The Security Deposit of the Supplier will be refunded within 90 days of the completion of the contract. No interest will be given for EMD/Security Deposit.
- 24)** In case any difference or dispute arises in connection with the contract, all legal proceedings relating to the contract shall be instituted in the Courts having Jurisdictions at Kottayam only.
- 25) Samples of the materials should be produced on or before the due date and time of the tender wherever it is required in the schedule.** The value of the sample, if any, can be claimed by the tenderer along with the cost of the supply of the material. If samples are not submitted within due date of the tender, the tender will not be considered for further evaluation.
- 26)** Corporation has right and unrestricted liberty to postpone, withhold, and or cancel the tender and contract without assigning any reason. In the event of such cancellation, Supplier has no right to claim any compensation for the action taken by the Corporation.
- 27)** The Corporation will have the discretion to distribute the quantity among two or more suppliers, if so found necessary.
- 28)** The location and address of the Units to which the supplies are to be effected are shown below:
